PROFILE SUMMARY

Frontend Developer & MCA Candidate (July 2026) specializing in crafting pixel-perfect, high-performance user interfaces and responsive web applications. Expert in React 19, Next.js, TypeScript, Tailwind CSS, GSAP, and Framer Motion. Driven by a passion for UI/UX precision, micro-interactions, component-driven architecture, and AI-assisted workflows to build accessible, zero-latency digital experiences.

EXPERIENCE & INTERNSHIP

Frontend Developer Intern

Jan 2026 — May 2026

Codeware IT Pvt. Ltd.

- Engineered modular, high-performance UI components using React.js and Tailwind CSS, optimizing for 100% cross-browser responsiveness and accessibility.
- Integrated RESTful APIs with optimistic client-side state handling to ensure zero-latency UI/UX synchronization and smooth data rendering.

Frontend Developer Intern

June 2025 — July 2025

Uttarakhand Media Ventures Pvt. Ltd.

- Built dynamic, interactive news portal interfaces in React, streamlining real-time content rendering and visual asset delivery.
- Standardized reusable UI component libraries and modular CSS patterns, leveraging Git for version control and scalable frontend architecture.

KEY PROJECTS

MandiSync | Crop Arbitrage Dashboard for Indian Mandis

- Architected an interactive data dashboard with Next.js, TypeScript, and Leaflet, rendering real-time APMC mandi price comparisons and route corridor maps.
- Built responsive filter controls, dynamic data tables, and client-side visualization components optimized for mobile and desktop viewports.

ArtByAnjali | Interactive High-Resolution Art Gallery

- Solved image loading latency in high-resolution art galleries by implementing custom lazy-loading, cloud image optimization, and smooth layout shifts.
- Designed immersive, 60fps micro-interactions using GSAP animations and Tailwind CSS for a premium exhibition user experience.

College Event Management Web App

- Developed an intuitive event registration portal with React, streamlining multi-step user workflows and interactive form validations.
- Implemented a centralized dashboard UI with real-time state updates, reducing administrative bottlenecks and navigation friction across campus users.

Luxury Ecommerce | High-End Retail Platform

- Engineered a high-fidelity React 19 luxury shopping interface with custom Context-driven state management and optimized useMemo product filtering.
- Delivered a dark-themed UI featuring Framer Motion page transitions, responsive product carousels, and zero-delay layout rendering.

TECHNICAL & PROFESSIONAL SKILLS

Frontend Core: React.js, React 19, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS, Component Architecture, State Management (Context API).

UI Animation & Styling: GSAP, Framer Motion, Responsive Web Design, Flexbox/Grid, CSS Modules, Cross-Browser Compatibility, Performance Optimization.

Tools & Workflow: Cursor, Gemini, Claude, GPT-4o, VS Code, Git/GitHub, Chrome DevTools, API Integration, UI/UX Implementation.

Soft Skills: Problem-Solving, Analytical Thinking, Team Collaboration, Effective Communication, Adaptability.

EDUCATION

Master of Computer Applications (MCA)

2024 — Jul 2026

Dev Bhoomi Uttarakhand University

Bachelor of Computer Applications (BCA)

2021 — 2024

Shri Guru Ram Rai University

Focused on modular architecture and interactive design. University-level Volleyball Championship winner.

High School & Intermediate

2019 — 2021

GIC Rikhnikhil, Uttarakhand

Class XII: 80% (2021) | Class X: 74% (2019)
